

FINAL THOUGHTS

"Dinosaurs are nature's Special Effects."

- *Robert T. Bakker*

"A discovery is said to be an accident meeting a prepared mind."

- *Albert Szent-Gyorgi*

"In the end we retain from our studies only that which we practically apply."

- *Johann Wolfgang Von Goethe*

"Luck is a dividend of sweat. The more you sweat, the luckier you get."

- *Ray Kroc*

DINOSAUR DIG LOG BOOK

[D.R.B.]
Dinosaur Recovery Bureau
www.dinobureau.com

YOUR MISSION

Congratulations! You will soon be experiencing life as a paleontologist as you dig up and help assemble a juvenile Maiasaura.

Use this Dinosaur Dig Log Book to help you record and remember your dig.

Before you get started, please take a few minutes and fill out the basic information.

Good Luck!

Name _____

Date _____

School _____

Teacher's Name _____

ACTIVITY

Draw a picture of your favorite dinosaur on the next page.

ACTIVITY

Add a picture of you and your classmates with the dinosaur that you found. Don't forget to write down its name.

YOUR DISCOVERY

What dig site were you assigned? _____

Describe your discovery _____

What part of the dinosaur do you think you've discovered? _____

Use two words to describe your discovery _____

Length in inches _____ Length in cm _____

ACTIVITY

Draw a picture of what you've found on the next page.

YOUR THOUGHTS

How did you feel when you first made your discovery? _____

How did **you** think the Maiasaura died? _____

What was your favorite part? _____

What did your class name the dinosaur? _____

What name did you pick? _____

ACTIVITY

Draw a picture of a Maiasaura family on the previous page.

DIG SITE GRID MAP

Work with your class to fill in the map and see where all of the bones were buried. Draw the bones in each dig site.
